Message from Mr Statham

Welcome back, everyone. It has been great to see the school filled with children again. They have all very quickly got back into old routines, plus some new ones to ensure the school remains as safe as possible.

Children all have one more week ahead of them with their 'old' teacher, before moving onto their new class, and to celebrate, each class is having a 'goodbye' party on Friday afternoon.

One-Way Systems and Barriers

Thank-you parents for being patient with us whilst we try to set up new routines involving lots of arrows and barriers to help keep everyone safe. Your understanding and cooperation has really helped to make things run smoothly during our first week back.

Uniform

You can purchase our school uniform from Uniform 4 Kids.

Please click [here](#) for details.

For details of our uniform policy, please click [here](#).

Please be reminded that trainers are not acceptable footwear.

Although I understand the difficulties involved in buying school shoes, all children need appropriate leather (or leather-like) black school shoes.

For girls, this also means no boots and no 'slip-ons'. Girls shoes need to have some sort of strap or laces to ensure they don't fall off as they run around.

Y3 Free School Meals

Y3 parents, please note that **children in Y3-6 are not entitled to Universal Free School Meals** (free meals for all children). However, if you believe you should be entitled to Free School Meals, due to your work or housing situation then please contact the school office for advice.
