Social Media and Phone Use – Year 6 Parent and Pupil Workshop

Dear Parents and Carers

It is our aim to keep all of Eastfield's children safe both in 'the real world' and online. As part of our work to help ensure this, we will be running a parent and pupil workshop to look at social media and phone use.

We recently carried out a survey with Year 6 pupils and were shocked to hear how many of our children have been witness to inappropriate language, images and content.

With your support, it is our aim to educate our children around the issues of responsible online behaviour and what to do if you witness something online that makes you feel uncomfortable.

The workshop will be held on Wednesday 30th March from 3:20pm until 4pm and will be for both parents and Year 6 pupils to attend.

Please complete the reply slip below so we have an indication of numbers for the event.

We look forward to seeing you and working together to keep our children safe online.

Yours sincerely

Mr Statham
Headteacher
