**Year 2 Trip to London Zoo - 26<sup>th</sup> May 2022**

Dear Parents/Carers

To support our Science topic, Animals including Humans, in the summer term we are planning a very exciting trip to London Zoo. Children will have the opportunity to see animals in different habitats and learn about what they eat and how they survive.

This is a fantastic out of school learning opportunity for your children. In order for this trip to take place there will be an approximate cost of £19-£20 per child. We appreciate that this is a costly trip but what better way to learn other than seeing the animals up close. It will truly be a memorable experience.

Could you please indicate on the form below whether you are able to support with the cost of this trip to go ahead.

Please let us know by Tuesday 3<sup>rd</sup> May, as we have to book the venue and the coach as soon as possible. If there is enough support, we will send out further details advising you of dates and the deposit. **Please do not send any money in with this form.**

Thank you for your continued support.

Yours sincerely

*Year 2 Team*
