*Headteacher Mr B. Statham*

Thursday 5th May 2022

Dear Parents/Carers,

### Year 6 SATs

We are very proud of the progress that our Year 6 pupils have made so far this year and for their endless hard work in preparing for the Year 6 SATs Tests 2022. As you know SATs week begins on Monday 9th May and concludes on Thursday 12th May. Please see the timetable below.

AM	Monday 9th	Tuesday 10th	Wednesday 11th	Thursday 12th
	English Paper 1: SPaG	English Reading Paper	Maths Paper 1: Arithmetic Paper	Maths Paper 3: Reasoning Paper
	English Paper 2: Spelling		Maths Paper 2: Reasoning Paper	

Please make sure your child is in school every single day and on time ready to sit the tests. If there are any issues with your child's attendance during SATs week, please contact the office and ask to speak to the Headship Team - Mr. Statham or Mrs. Hussain.

We would like to invite all of our Year 6 children to a special breakfast club (this is not compulsory but it would be great to meet before the tests) each morning during the week beginning Monday 9th May (not Friday). We invite children to arrive at school at 8.15am. The children will be able to come into school and enjoy a slice of toast with a glass of fruit squash; this will not only provide important brain food, but it will ensure that every child is in school in plenty of time before the SATs begin and will no doubt help to ensure that the children are more relaxed with the day ahead. There will be no cost for this to parents. If your child does not want to attend the breakfast club, we would like to see them in school at the earlier time of 8.30am. We would like to ask you to please ensure that your child gets lots of rest and sleep during SATs week and that they are equipped with healthy snacks and a water bottle every day for their break times.

We know that both you and the teachers have been working really hard over the last few months to get ready for the SATs Tests. It is vital that you use this weekend wisely. Please rest and you may want to complete some of these activities over the weekend:

- Go on a bike ride
- Read a book
- Watch your favourite film
- Eat Haribo or ice-cream
- Go outside and enjoy the weather
- Spend time with your family/friends
- Dance to Nicki Minaj (or whoever you listen to!)
- Do something you have never done before

If you feel you have to, you may revise, BUT you can only do this for a maximum of one hour in total.

**REMEMBER** - Miss. Hardy, Mr. Theodoulou and Mr. Anderson are in charge of worrying - you don't need to. You are all **AMAZING** and we couldn't be more proud of you all.

Have a fabulous weekend and see you all on Monday!

With best wishes,

Mr. Statham, Mrs. Hussain, Miss. Hardy, Mr. Theodoulou and Mr. Anderson
